Hey, was checking on the guidance on history on chats on my end after the call with Ryan (thanks again for setting it up) -- sounds like we should preserve history on MADA/RSA/Play related items versus regular chat. For example, none of the saved history pieces above are related to MADA/RSA/Play. To that end, can you please turn off history? And we'll ensure history is on in the event we chat about MADA/RSA/Play. Thanks!
